Conscious of the need to facilitate the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in resolution 1514 (XV),

Noting that the large majority of the remaining Non-Self-Governing Territories are small island Territories,

Welcoming the assistance extended to Non-Self-Governing Territories by certain specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme,

Also welcoming the participation in the capacity of observers of those Non-Self-Governing Territories that are associate members of regional commissions in the world conferences in the economic and social sphere, subject to the rules of procedure of the General Assembly and in accordance with relevant United Nations resolutions and decisions, including resolutions and decisions of the Assembly and the Special Committee on specific Territories,

Noting that only some specialized agencies and other organizations of the United Nations system have been involved in providing assistance to Non-Self-Governing Territories,

Stressing that, because the development options of the small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting the challenges without the continuing cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing also the importance of securing the necessary resources for funding expanded programmes of assistance for the peoples concerned and the need to enlist the support of all major funding institutions within the United Nations system in that regard,

Reaffirming the mandates of the specialized agencies and other organizations of the United Nations system to take all appropriate measures, within their respective spheres of competence, to ensure the full implementation of General Assembly resolution 1514 (XV) and other relevant resolutions,

Expressing its appreciation to the African Union, the Pacific Islands Forum, the Caribbean Community and other regional organizations for the continued cooperation and assistance they have extended to the specialized agencies and other organizations of the United Nations system in this regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of programmes of assistance to the peoples concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations resolutions and decisions relating to decolonization,

Bearing in mind the extremely fragile economies of the small island Non-Self-Governing Territories and their vulnerability to natural disasters, such as hurricanes,

cyclones and sea-level rise, and recalling the relevant resolutions of the General Assembly,

Recalling its resolution 61/231 of 22 December 2006 on the implementation of the Declaration by the specialized agencies and the international institutions associated with the United Nations,

1. *Takes note* of the report of the Secretary-General;[1]

2. *Recommends* that all States intensify their efforts in the specialized agencies and other organizations of the United Nations system in which they are members to ensure the full and effective implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV), and other relevant resolutions of the United Nations;

4. *Reaffirms also* that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the aspirations of the peoples of the Non-Self-Governing Territories to exercise their right to self-determination entails, as a corollary, the extension of all appropriate assistance to those peoples;

5. *Expresses its appreciation* to those specialized agencies and other organizations of the United Nations system that have continued to cooperate with the United Nations and the regional and subregional organizations in the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, and requests all the specialized agencies and other organizations of the United Nations system to implement the relevant provisions of those resolutions;

9. *Requests* the specialized agencies and other organizations of the United Nations system concerned to provide information on:

(a) Environmental problems facing the Non-Self-Governing Territories;

(b) The impact of natural disasters, such as hurricanes and volcanic eruptions, and other environmental problems, such as beach and coastal erosion and droughts, on those Territories;

(c) Ways and means to assist the Territories to fight drug trafficking, money-laundering and other illegal and criminal activities;
